

BE A SAFE HOUSE.

Education is key to preventing trafficking in our communities and identifying trafficked individuals in our communities.

8K People Trained in 6 Weeks

OnWatch™ was launched September 17th, and is a survivor-led training designed to empower you to spot, report, and prevent sex trafficking where you live, work, and play.

425 First Responders Trained

Healthcare and Law Enforcement specific training is key to help those on the front lines of survivor identification understand how to spot and respond to survivors of trafficking.

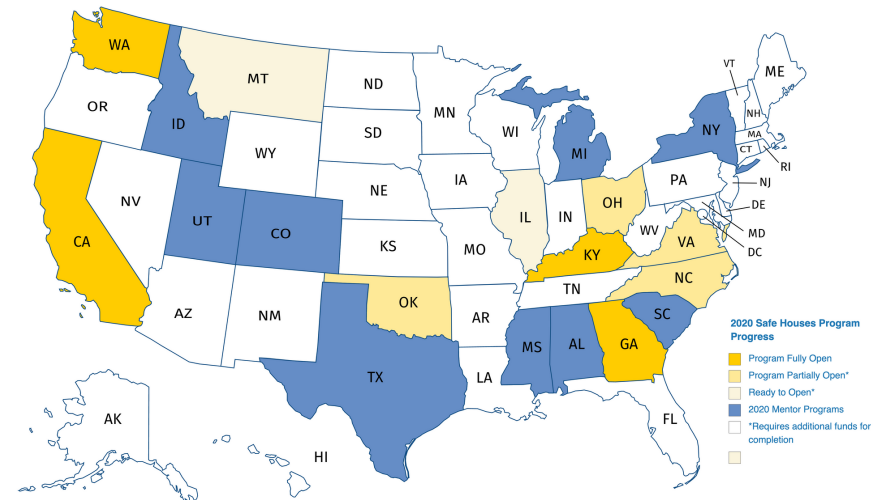

Training Deployed to 160K Techs

Safe House Project partnered with FORSHAW Inc. to develop and deploy the Pest Management training to equip 160K pest technicians on the signs and indicators of child trafficking in the home.

BUILD SAFE HOUSES.

Your investment is building a nation wide network of safe houses.
Safe House Project accelerates safe house development through funding and mentorship.

90 Beds Launched. 2K Mentorship Hours Deployed.

Safe House Project is uniting communities to end domestic sex trafficking and restore hope, freedom, and a future to every survivor.

Safe housing and restorative care is critical to ending the cycle of victimization.
Education is key to spotting, reporting, and ultimately, preventing trafficking.

Our mission is two-fold: increase survivor identification beyond one percent through education and ensure every survivor has access to safe housing and holistic care by accelerating safe house capacity and development across America.

Together, we can end trafficking in America.
