

COMBATING TRAFFICKING THROUGH EDUCATION™

FOUNDED: September 2020

ABOUT:

OnWatch™ is a survivor-led and informed education platform designed to empower you to spot, report, and prevent sex trafficking in the United States. Through true survivor experiences, industry experts share the key indicators of trafficking and how you can support a survivor's path to freedom.

GOAL:

- Elevate people's understanding of trafficking through survivor-informed content
- Increase survivor identification above 1 percent in the United States
- Train 10,000+ people every month through the community-based training

IMPACT:

- 2 survivors identified in the first week
- 10,000 people trained in eight weeks
- \$20,000 raised to launch new safe houses for survivors to heal
